PCS Issue is changing!

I would like to advise that a change will be taking place with the release of the current PCS Issue Smart Phonecards.

From January 2000, the PCS Issue will no longer be produced in the current form. Low run, limited Smart Phonecards will continue to be released, however they will favour events and occasions throughout the year, rather than independent designs.

The Vintage Car Series we have released this month will be the second last of the PCS Issue. The final series will be released in October 1999.

Since the release of the past two issues of Collect, a number of Smart Phonecards and PhoneAway® designs have been reprinted.

Those Smart Phonecards and PhoneAway® cards which have been reprinted are:

DESIGN	CODE	ADVERTISED PRINT RUN	ADDITIONAL PRINT
Stephen Case - Bird	99005003N	350,000	123,425
Teddy Bear	99010004N	110,000	(55,054)
Ear and Mouth	99005001N	250,000	222,153
Coca-Cola Surf Classic	99010006N	40,000	(159)
Lennox Head	99010002N	65,000	44,859
Opera House	99020007N	115,000	29,915
Hockeyroos	99010005N	30,000	74,671

The quantities provided in each issue of Collect are reflective of the total to be produced. In particular, quantities given for National release cards are indicative as the total quantity may vary according to demand of the product. Generally, the printed quantity in Collect reflects two months stock, and will be adjusted upward according to demand for the third month.
